

## U.S. November 2025 Non-Farm Payrolls Data Release Notice

Dear Valued Clients,

According to the latest update, the release of the November Non-Farm Payrolls data, which was delayed due to the U.S. government shutdown, will be announced at the following time (specified in Beijing Time):

Data Type	Release Time	Previous (in thousands)	Forecast (in thousands)
Non-Farm Payrolls	21:30 on Dec 16, 2025	119.0	50.0

During the release of important data or news, particularly from 30 minutes before to 15 minutes after the announcement, the market usually experiences higher volatility and reduced liquidity. To enhance your trading security, we will make the following temporary adjustments based on the actual market conditions:

**1. Pending Order Distance Adjustment:**

- **Gold (XAU/USD): Minimum 1,500 points from the current market price**
- **Silver (XAG/USD): Minimum 2,000 points from the current market price**

**2. Widened Spreads:**

- **Gold/Silver spreads may widen to 200 points or more**

**Important Reminders:**

1. Significant price fluctuations may occur during the data release. Please manage your positions carefully and set appropriate stop-loss and take-profit levels to mitigate risk.
2. Our platform operates under a market execution model. In a volatile market, slippage may occur, which can either be favorable or unfavorable to you.
3. To avoid potential delay in deposits during peak times, we recommend making deposits to your "Upway Wallet" beforehand to ensure smooth transactions.
