

U.S. November 2025 ADP Employment Data Release Notice

Dear Valued Clients,

According to the latest updates, the United States will release key economic data at the following times (specified in Beijing Time):

Data Type	Release Time	Previous (in thousands)	Forecast (in thousands)
ADP Employment	21:15 on Dec 3, 2025	42.0	10.0

On the other hand, the **November Non-Farm Payrolls data will be released on December 16**, with relevant forecast figures yet to be announced.

During the release of important data or news, particularly from 30 minutes before to 15 minutes after the announcement, the market usually experiences higher volatility and reduced liquidity.

Important Reminders:

1. Significant price fluctuations may occur during the data release. Please manage your positions carefully and set appropriate stop-loss and take-profit levels to mitigate risk.
2. Our platform operates under a market execution model. In a volatile market, slippage may occur, which can either be favorable or unfavorable to you.
3. To avoid potential delay in deposits during peak times, we recommend making deposits to your "Upway Wallet" beforehand to ensure smooth transactions.
