

Notice on Adjustment to Winter Trading Hours

Dear Valued Clients,

As the New York Gold Market officially transitions to Winter trading hours on Sunday, Nov 2, 2025 (U.S. Time), the trading schedule for our London Gold/Silver trading platform will be adjusted starting from **Monday, Nov 3, 2025 (Beijing Time)** as follows (specified in Beijing Time):

Trading Hours: 07:00 on Monday to 05:45 on Saturday

Market Break: 05:45 on Saturday to 07:00 on Monday

Daily Settlement Period: 06:00 to 07:00 on Tuesday to Friday (trading will be temporarily unavailable during settlement)

Important Reminders:

1. During weekends or public holidays when the market is closed, volatility and liquidity conditions may change; price movements upon market reopening could therefore be substantial. Please manage your positions carefully and ensure that your margin remains sufficient. If your margin falls below the required level, forced liquidation will be executed automatically to mitigate further risk.
2. Any pending orders, stop-loss and take-profit instructions placed before market closure will remain active unless cancelled or expired.
