

## Important Notice on the Extension of Trading Hours

### Dear Valued Clients:

Starting from Jan 31, 2026, the trading hours of our MT4/MT5 platforms will be extended by 5 minutes. The adjusted trading hours are as follows (all times are in 24-hour format):

#### Winter Time:

**Trading hours: 07:00 on Monday to 05:50 on Saturday (previously ends at 05:45)**

**Closed hours: 05:50 to 07:00 on Monday**

#### Summer Time:

**Trading hours: 06:00 on Monday to 04:50 on Saturday (previously ends at 04:45)**

**Closed hours: 04:50 to 06:00 on Monday**

### Important Reminders:

1. Following adjustments to the trading hours, the trading window has been extended. We recommend monitoring the performance of your open positions and pending orders during different time periods, in addition to managing your capital allocation appropriately. Please maintain adequate margins, as accounts with inadequate margins may be subject to forced liquidation to mitigate risks.
2. During market closure, all pending orders, stop-loss, and take-profit instructions remain effective until you cancel them or they expire.
