

## Notice on the Release of the U.S. January 2026 Non-Farm Payrolls Employment Data

Dear Valued Clients,

According to the latest updates, the United States will release key economic data at the following times (specified in Beijing Time):

Data Type	Release Time	Previous (in thousands)	Forecast (in thousands)
ADP Employment	21:15 on Feb 4, 2026	41.0	45.0
Non-Farm Payrolls	Postponed due to government shutdown	/	/

Due to the partial shutdown of certain federal government departments beginning January 31, the Bureau of Labor Statistics will suspend the collection, processing, and release of data. Consequently, the January Non-Farm Payroll report cannot be released as scheduled on Friday. Given the recent market volatility, we strongly advise you to enhance your position risk management.

During the release of important data or news, particularly from 30 minutes before to 15 minutes after the announcement, the market usually experiences higher volatility and reduced liquidity. To enhance your trading security, we will make the following temporary adjustments based on the actual market conditions:

**1. Pending Order Distance Adjustment:**

- **Gold (XAU/USD):** Minimum 1,500 points from the current market price
- **Silver (XAG/USD):** Minimum 2,000 points from the current market price

**2. Widened Spreads:**

- **Gold/Silver spreads may widen to 200 points or more**

**Important Reminders:**

1. Significant price fluctuations may occur during the data release. Please manage your positions carefully and set appropriate stop-loss and take-profit levels to mitigate risk.
2. Our platform operates under a market execution model. In a volatile market, slippage may occur, which can either be favorable or unfavorable to you.
3. To avoid potential delay in deposits during peak times, we recommend making deposits to

your “Upway Wallet” beforehand to ensure smooth transactions.
