

## Notice on Adjustment to Summer Trading Hours

### Dear Valued Clients:

As the New York Gold Market officially transitions to Summer trading hours on Sunday, Mar 8, 2026 (U.S. Time), the trading schedule for our London Gold/Silver trading platform will be adjusted starting from Monday, Mar 9, 2026 (Beijing Time) as follows (specified in Beijing Time):

**Trading Hours: 06:00 on Monday to 04:50 on Saturday**

**Market Break: 04:50 on Saturday to 06:00 on Monday**

**Daily Settlement Period: 05:00 to 06:00 on Tuesday to Friday (trading will be temporarily unavailable during settlement)**

### Important Reminders:

1. During market closure on public holidays and weekends, market liquidity and volatility may be affected, potentially causing significant price fluctuations when the market reopens. Please carefully manage your positions and maintain adequate margins. Accounts with inadequate margins may be subject to forced liquidation to mitigate risks.
2. During market closure, all pending orders, stop-loss and take-profit instructions remain effective until you cancel them or they expire.
