

## U.S. March 2026 ADP & Non-Farm Payrolls Employment

### Data Release Notice

**Dear Valued Clients:**

According to the latest updates, the United States will release key economic data at the following times (specified in Beijing Time):

Data Type	Release Time	Previous (in thousands)	Forecast (in thousands)
ADP Employment	20:15 on Apr 1, 2026	63.0	20.0
Non-Farm Payrolls	20:30 on Apr 3, 2026	-92.0	51.0

During the release of important data or news, particularly from 30 minutes before to 15 minutes after the announcement, the market usually experiences higher volatility and reduced liquidity. To enhance your trading security, we will make the following temporary adjustments based on the actual market conditions:

**1. Pending Order Distance Adjustment:**

- **Gold (XAU/USD):** Minimum 1,500 points from the current market price
- **Silver (XAG/USD):** Minimum 2,000 points from the current market price

**2. Widened Spreads:**

- **Gold/Silver spreads may widen to 200 points or more**

**Important Reminders:**

1. During market closure on public holidays and weekends, market liquidity and volatility may be affected, potentially causing significant price fluctuations when the market reopens. Please carefully manage your positions and maintain adequate margins. Accounts with inadequate margins may be subject to forced liquidation to mitigate risks.
2. During market closure, all pending orders, stop-loss and take-profit instructions remain effective until you cancel them or they expire.
