

## Notice on 2026 U.S. Independence Day Holiday Market Closure

### Dear Valued Clients:

In observance of the U.S. Independence Day holiday on Jul 3, 2026 (Friday), the New York Gold Market will be closed. Accordingly, the trading hours of our Spot Gold/Silver trading platform will be adjusted as below (specified in Beijing Time):

**Market closes from: 00:45 on Jul 4, 2026 (Saturday) to 05:59 on Jul 6, 2026 (Monday)**

**Market reopens at: 06:00 on Jul 6, 2026 (Monday)**

### Important Reminders:

1. During market closure on public holidays and weekends, market liquidity and volatility may be affected, potentially causing significant price fluctuations when the market reopens. Please carefully manage your positions and maintain adequate margins. Accounts with inadequate margins may be subject to forced liquidation to mitigate risks.
2. To safeguard your positions, we recommend that you **ensure your account has sufficient funds and maintain a margin ratio of 200% or higher before 00:15 on Jul 4, 2026 (Saturday)**. If your account margin is insufficient, the system may trigger a forced liquidation mechanism to meet the relevant margin requirements.
3. During market closure, all pending orders, stop-loss and take-profit instructions remain effective until you cancel them or they expire.
