# [Important Notice] Announcement Regarding Spread Adjustments for Spot Gold/Silver Effective from August 3, 2026

**Dear Valued Clients,**

To further enhance market liquidity and quote quality on our trading platform, and to manage market volatility risk more effectively, the company will implement the following adjustments to the standard spreads of spot gold (XAUUSD) and spot silver (XAGUSD), effective from **Monday, August 3, 2026, 6:01 AM (Beijing Time)**.

### 1. Specific Details of the Adjustments

| Trading Symbol | Original Standard Spread | Adjusted Standard Spread | Approx. Spread Fee (per standard lot) | Adjustment Details |
|---|---|---|---|---|
| Spot gold (XAUUSD) | USD 0.2/oz | USD 0.15/oz | USD 15/lot | To optimize liquidity access and lower trading costs |
| Spot silver (XAGUSD) | USD 0.02/oz | USD 0.023/oz | USD 115/lot | To address extreme market volatility and strengthen risk management |

**Note**: The above spread fees are calculated based on international standard contract sizes (100 oz/lot for gold, 5,000 oz/lot for silver).

### 2. Trading and Risk Management Reminders

- **Effective Time:** The new spread standards will take effect at 06:01 (Beijing Time) on August 3, 2026.
- **Floating Mechanism:** The platform adopts a market-based floating spread mechanism. The spreads listed above serve as reference levels under normal liquidity conditions. During

market open/close, major data releases, or periods of low liquidity, spreads may be dynamically adjusted based on market conditions.

- **Position Management:** Spread adjustments may directly affect your trading costs and margin usage. Please closely monitor your account risk level and ensure sufficient funds in advance to avoid forced liquidation due to market volatility or spread changes.

**Upway Global**, as a Class "AA" licensed member (No. 084), a core member of the Bullion Group, and an Authorized Good Delivery Bars Minter of the Hong Kong Gold Exchange (HKGX), ensures that its spot gold and silver investment products strictly comply with Hong Kong investment compliance standards and relevant laws. In addition, these investment products may not fully comply with the regulatory requirements of your local jurisdiction. Please prudently assess your position before investing.
