

Notice on U.S. Labor Day Holiday Market Closure

Dear Valued Clients,

In observance of the U.S. Labor Day holiday on Tuesday, Sep 7, 2026 (U.S. time), the New York Gold Market will be closed. Accordingly, the trading hours for our Spot Gold/Spot Silver platform will be adjusted as follows (specified in Beijing Time):

Market closes from 02:15 to 06:01 Sep 8, 2026 (Tuesday);

Market reopens at: 06:01 on Sep 8, 2026 (Tuesday)

Important Reminders

1. During public holidays or weekend closures, market liquidity and volatility may be affected. Price fluctuations may be more pronounced upon market reopening. We strongly recommend that you manage your positions prudently and ensure sufficient account margin. In the event of insufficient margin, forced liquidation may be executed to control risk.
2. All pending orders, including limit, stop-loss, and take-profit orders, will remain valid during the holiday period unless canceled by you or upon expiration.
